IN REPLY REFER TO:

Memorandum

November 2, 1989

To: All ADs, 130, 140, 150  
From: Twinkle Thompson  
Subject: 60 days BLM forecast

Assistant Secretary Dave O'Neal would like BLM to put together a 60 day forecast: where we have been and where we are going to be on January 1. This would be relative to our major program initiatives and issues.

I would appreciate your providing External Affairs with such a list (hard copy and disc) by 12 noon, November 3. Many thanks.

*Twinkle Thompson*
